

What is Sana?

Sana is a non-narcotic, non-addictive wearable mask that guides the user into a state of relaxation using audio visual stimulation.

Benefits of Sana

Use of the Sana can optimize your wellness by:

- › Clearing a busy mind
- › Supporting enhanced relaxation
- › Improving sleep management
- › Reducing feelings of stress
- › Enhancing recovery from fatigue

Sana Subscriptions

All subscriptions include:

- › Sana device, travel case, charger, earbud headphones
- › Use of the Sana device for the duration of your subscription
- › The option to extend your 3 or 6 month subscriptions out to 18 months at the \$99/mth rate when your commitment ends
- › Customers who subscribe to using Sana for a total continuous subscription of 18 months will own their Sana at the conclusion of the subscription
- › Device support online at sana.io or through the Sana support team

3 months: \$149/month

6 months: \$129/month

18 months: \$99/month

At the conclusion of your eighteen month subscription, you will own your Sana. To continue using your Sana and accessing the Trending Insights, you will be offered a monthly maintenance subscription of \$29 per month.
